01

## Utiliser Composer

- npm install

## JSON Server

- json-server --watch db.json

04

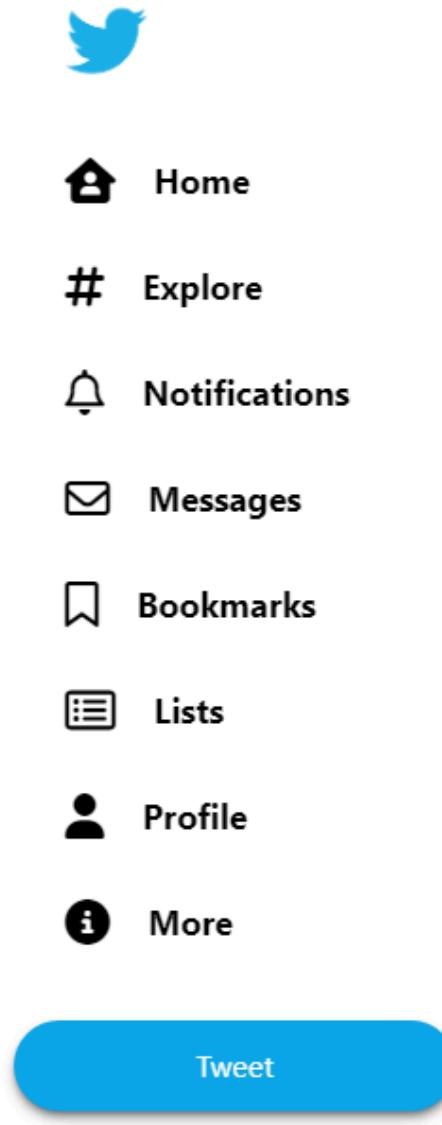

## Lancer l'Application Vue.js

- npm run serve

# Utilisation

# Page d'Accueil

This image shows the same Twitter home screen as above, but with a sidebar on the right. The sidebar features a search bar at the top, followed by a section titled 'Trends for you' which lists several trending topics: 'Trandg in UsA', 'NationalAuthors Day', '122K tweets', and 'tina kpymk jlhmjvf'. Below this are five more identical trend entries, each consisting of a trend name, tweet count, and user handle.

**Like :** Cliquez sur l'icône de cœur pour aimer un tweet.

**tweet :** Cliquez sur l'icône de tweet pour retweeter un tweet.
